MODA WHITE OAK

A BLANK CANVAS

Create a look that's all your own, made possible by the individuality of American White Oak.

The natural grain of timber is like a unique fingerprint, making each Moda White Oak interior door a one-off design. And with a light and versatile American White Oak veneer, these doors can be stained or painted to express your interior vision with clarity and style. As a perfect complement to our Blonde Oak entrance door collection, this range will lend a strong sense of cohesion to your home.
